Ordering Terms and Conditions

Customer Service Information

- E-mail questions to info@templatemaker.com or sales@templatemaker.com

Artwork

- We are PC-formatted and use CorelDRAW 12 or Adobe Illustrator 10.
- Please send all artwork to: jean@templatemaker.com
- Include in the artwork e-mail: Purchase Order number in the subject line, all files (fonts, scales, etc.) that are to be used when creating your artwork; reference any important detail in the body of the letter including the PMS color match and include your e-mail address if you would like an electronic proof. E-mails with no content in the body and having only attachments will be deleted from our server as soon as they are received.
- Any artwork submitted that requires clean up or creation will be billed at \$25.00 per ½ hour.
- Digital artwork submitted to the factory should be VECTOR ART. These files can be enlarged or reduced with no effect on the quality of the imprint.
- RASTER ART (jpeg, tiff, bitmap, PSD, etc.) can be submitted as well. These files may require in-house clean up at an additional charge. This charge will be determined upon review of art, and the customer will be informed prior to proceeding.

Proof and Approvals

- Paper and electronic proofs will be sent at no charge.
- Pre-production proofs are available for an extra charge. Call Customer Service for a quote.
- We must have written approval (fax or e-mail) before templates are scheduled for production.
- Read proofs carefully to assure all information is correct before signing. Any changes must be done in writing and may incur additional charges.

Production Time and Rush Services

- Normal production time is 20 working days after artwork and credit approval.
- Rush service is available, call for a quote and availability.
